Education

Renmin University of China — Beijing, China
Ph.D Candidate in Artificial Intelligence — Sep. 2021 - Present
Advisor: *Prof.* Di Hu

Carnegie Mellon University — Pittsburgh, USA
Visiting Scholar — Dec. 2023 - Aug. 2024
Advisor: *Prof.* Fernando De la Torre Frade

University of Electronic Science and Technology of China — Chengdu, China
B.E. in Computer Science and Technology — Sep. 2017 - Jun. 2021

Selected Awards and Scholarships

- **Baidu Scholarship** (10 Ph.D students worldwide), 2024.
- **China National Scholarship for Ph.D student** (highest student honor in China), 2024.
- Outstanding Graduate Award (highest honor for graduates set by Sichuan province), 2021.
- Outstanding Graduate of University of Electronic Science and Technology of China, 2021.

Research Interests

Interested in the inherent learning mechanism of perceiving, formulating, and understanding the environment with heterogeneous information from multiple modalities, *e.g., vision, sound, text.*

Part 1. Focus on providing **better solutions for building Multimodal LLMs, caring for modality-specific characteristics**. For now, we have provided a new PEFT pipeline for MLLMs, *MokA*, which ensures both unimodal and cross-modal adaptation.
Part 2. In the paper presented at CVPR 2022 (ORAL), **introduce the research topic of "Balanced Multimodal Learning" for the first time**. Highlight a pervasive issue in multimodal learning, where information utilization of certain modality can be undesirably suppressed by others. Then conduct a series of systematic studies to alleviate this issue.

Invited Presentations

- "Balanced Multimodal Learning"
  Invited talk at *Peking University, CoRe 2025.*
- "Balanced Multimodal Learning"
  Invited talk at *Global PhD Gathering, Pujiang AI Conference*, 2024.
- "Balanced Multimodal Learning"
  Invited talk at *Virginia Tech*, 2024.
- "Balanced Multimodal Learning"
  Invited talk by *TechBeat*, 2024.
- "Exploration of Audio-visual Scene Understanding and Multimodal Learning Mechanisms"
  Invited talk at *BAAI Conference*, 2022.
